ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids, and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five day from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Auction Sales Are Conducted in the Following

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices; prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. **YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED.** No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins each month. Whenever this happens, we want it called to our attention to help prevent future errors.

The coins will be on display the day of the sale at our offices and can be seen by appointment any day prior to the sale.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

IS THIS YOUR FIRST AUCTION CATALOG?

13th EDITION GUIDE BOOK AND 18th EDITION STANDARD CATALOG
USED IN CATALOGING THIS SALE

Scarce gold, proofs, rolls, small cents, proof gold and currency seem to be rising the most rapidly at present with most bringing close to listed values and a great number bringing even more. Many are rising from month to month with a number "just not obtainable." The coins most in demand will have the greatest number of bidders and with the law of supply and demand working, these coins keep setting new records.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these coins come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. The estimated prices are entered only after careful examination of the results in our past sales which reflect the actual and not theoretical value. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, ETC. ARE ESTIMATED AT CATALOG.) In the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.25. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. Coin collecting is a personal hobby which makes life a little more pleasant. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them as well as any compliments.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION.**

BARGAINS GALORE

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots," yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, compliments (yes we receive some now and then), we want to hear them. Having cataloged over two hundred successful coin auctions, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 6c airmail stamp to find out what we would pay for your outstanding pieces? naturally we buy collections, too.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the **bid Sheet**. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to **avail this service** to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

TWENTY CENTS OR DOUBLE DIMES

These were originally proposed instead of the quarter in order to carry thru the idea of a true decimal coinage. The quarter won out instead due to the Mexican "two-bit" piece having such an extensive circulation in the Colonies. When the twenty cents was finally tried in 1875, it proved to be too confusing with the quarters and was abandoned after circulating only two years.

1858 TRANSITIONAL CENT COLLECTION

Very popular today with new records being set just about every time offered. IN GREAT DEMAND. These coins closely resemble those that actually circulated and make a most interesting and prize-winning display when properly mounted and written up.

624. 1858 Regular Small Eagle obverse with small letters, regular reverse of 1859, golden PROOF, AW-244. WHY THE CATALOG LISTS THE 1859 half dime and dime of similar nature (Obverse 1859, reverse 1860) and not this, we do not know. The 1859 half dime is in this sale (lot 563) for which \$2,500 was paid last year). While this coin is not quite as rare, it is certainly much rarer than the 1856 flying eagle cent of which 1000 are said to have been issued compared to ONLY 75 ISSUED OF THIS COIN! Should bring a price in keeping with its rarity. The 1856 is now approaching\$1000.00

SMALL SIZE FEDERAL RESERVE NOTES

Undoubtedly, MORE "SLEEPERS" EXIST IN THIS SERIES THAN ANY OTHER! We do not know of a single complete collection in existence! We have tried for over twenty years to obtain many notes in order to fill both our own reference collection and the collections of several of our friends but some "just never showed up." We unhesitatingly recommend this series as an excellent investment over the years as present day values are still nominal. With the influx of new collectors, we note a marked increase in demand. Now that nationals have "come into their own," we find a trend toward Federals. If the editor of the catalog of Paper Money of the U.S. so desires, we shall make available the results of our research in order to establish a more realistic system of values in the next edition. The following values are based on our research as to rarity and demand.

Only ONE ISSUE \$5 to \$100 values, brown seals and numbers. ONLY A RELATIVELY SMALL AMOUNT ISSUED (depression) AND QUICKLY REDEEMED IN 1935. Judging from the increasing amount of want lists received, this series has an excellent future, investment-wise.

Judging from the rapid advance in catalog values during the past few years, this series should prove to be a good investment money-wise as in pleasure and pride of ownership.

EARLY HALF DOLLARS

Increasingly difficult to obtain as most of the old-time collections have been broken up with ten or more buyers for each of these rare old coins offered. Should show a sharp increase in value during the coming year.

1179. 1794 TYPE I, 15 STARS & FLOWING HAIR, SMALL EAGLE, fine appearing but cleverly repaired noticeable only on close examination. RARE. Catalogs fine. 150.00

1180. 1795 Similar type, Beistle 11-P, Re-Engraved CA of AMERICA with ORIGINAL CA too far left, A BEAUTIFUL UNCIRCULATED SPECIMEN WITH BLuish GOLDEN PROOFlike SURFACE. According to Beistle, this is a VERY RARE VARIETY IN REMARKABLY CHOICE CONDITION. Possibly an equal specimen exists, however we do not recall seeing one. In this remarkable condition for this rarity, it should be worth at least\$1500.00

1181. 1795 Date 1-7 9 5 (die break connecting 17) Re-Engraved M in AMERICA, extremely fine. RARE. 350.00
1182. 1795 THREE LEAVES Under Each Wing of Eagle, fine (bought for very fine) very close examination reveals an almost imperceptible imperfection. VERY RARE. The last comparable specimen appeared in a New York auction in March of last year and realized 700.00

EARLY HALF DOLLARS (Continued)

1183. 1797 TYPE II, HAIR IN KNOT, SMALLER EAGLE with "1½" BELOW, extremely fine. AN OUTSTANDING RARITY IN THIS CONDITION as well as the RAREST TYPE. One of the last coins to be acquired in this outstanding collection. Purchased last year as "about uncirculated, my price only \$3,500.00 for this rarity worth \$4,000.00."

1184. 1801 TYPE IV, 13 STARS, LARGE HERALDIC EAGLE, Re-Engraved AM in AMERICA, AME.RICA variety. Acquired as "UNCIRCULATED, BEST IN EXISTENCE." Since we have not seen all the specimens in existence, we cannot approve or disprove this statement. It is, however, THE CHOICEST SPECIMEN WE CAN RECALL SEEING! It has a lovely bluish golden prooflike surface and is the SHARPEST STRUCK SPECIMEN WE CAN RECALL SEEING! The tail feathers of the eagle and the high point of the collar of the bust do show just the barest trace of rubbing (probably "cabinet friction" caused by sliding on the velvet covering of the drawers of the cabinet of old-timers). If rarity is any criterion of value, then this GREAT RARITY should bring well over\$1000.00

1185.	1801 Very good and sharp. RARE.	75.00
1186.	1802 Very fine. RARE SO CHOICE.	125.00
1187.	1803 Large 3, Large Reverse Stars, very fine bordering on extremely fine. RARE. Much rarer than the usual Large Stars variety.	100.00
1188.	1803 Large 3, small reverse stars, very nearly Uncirculated showing only friction on highest points. ONLY 12 ARROWS.	150.00
1189.	1803 Small 3, very nearly Uncirculated. VERY RARE. Greatly undervalued in keeping with its true rarity. Well worth over....	150.00
1190.	1805 OVER 4, 13 Arrows, Re-Engraved last S in STATES, very nearly Uncirculated. VERY RARE.	250.00
1191.	1805 OVER 4, 12 Arrows, very nearly Uncirculated. VERY RARE.	250.00
1192.	1805 Normal dies, very nearly Uncirculated. RARE. Records well over	75.00
1193.	1805 Die break thru AMERICA, very nearly Uncirculated. RARE.	125.00

1194. 1805 AIMERICA variety caused by die break between AM in AMERICA in addition to die break as in above coin. This die failure caused the last cloud and last 3 stars not to be struck up as well as the corresponding part of obverse (point of bust). UNCIRCULATED. VERY RARE VARIETY IN REMARKABLE CONDITION. Easily worth\$ 500.00

1195.	1806 OVER 5, very nearly Uncirculated. RARE.	125.00
1196.	1806 OVER 5, SITATES variety caused by die break between ST, very nearly Uncirculated. VERY RARE.	300.00

1197. 1806 OVER 5, variety with TOP of 5 CLEARLY UNDER THE 6 AS WELL AS TO THE RIGHT CORNER, extremely fine. EXTREMELY RARE. 300.00

1198. 1806 OVER INVERTED 6, perfect die showing die sinking with point of bust and corresponding part of reverse (right tip of eagle's wing) not struck up as sharply as balance of coin, virtually UNCIRCULATED with top strands of hair also flatly struck. A pleasing natural bluish golden color. THE CHOICEST SPECIMEN OF THIS VERY RARE VARIETY THAT WE CAN RECALL SEEING! \$1000.00

1199. 1806 OVER INVERTED 6, shattered obverse die (one usually encountered) resulting in some of the central reverse stars not being struck up. A choice virtually Uncirculated specimen showing only barest trace of friction. ONE OF THE BEST WE HAVE SEEN! \$ 500.00

1200. 1806 Round top 6, small stars, very nearly Uncirculated but due to striking, the back top strands of hair are not struck up. RARE VARIETY WITH DOUBLE T IN LIBERTY. 250.00

1201. 1806 Pointed top 6, DOUBLE TY in LIBERTY, DOUBLE 6 with POINT OF ORIGINAL 6 TOO FAR RIGHT, Shattered Reverse with Heavy Die Break Bisecting Reverse, stem thru claw, extremely fine. VERY RARE. 250.00

1202. 1806 Pointed 6, CROOKED F in OF (die engraver's ERROR) stem thru claw. A beautiful bluish golden UNCIRCULATED specimen with top strands of back hair lightly struck as usual. VERY RARE. 250.00

1203. 1806 Pointed 6, stem not thru claw, Q variety (die break at right of O making it into a Q) very nearly Uncirculated. 100.00

1204. 1806 Pointed 6, stem thru claw, CROWDED DATE with 8 LOW, several interesting reverse die breaks with heavy one thru O in OF, A BEAUTIFUL SHARPLY STRUCK SPECIMEN WITH BLUISH GOLDEN PROOFLIKE SURFACE. A joy to behold. \$ 300.00

1205. 1806 Pointed 6, stem thru claw, similar obverse but different reverse showing Heavy Die Breaks from AM, UNCIRCULATED with bluish color. RARE. 150.00

1206. 1806 Pointed 6, stem thru claw, DOUBLE T in LIBERTY, COMET reverse (die breaks thru right clouds resembling a comet) very nearly Uncirculated. 125.00

1207. 1806 Pointed 6, DOUBLE TY IN LIBERTY, COMET reverse, normal medium spaced date, nearly unc. 150.00

1208. 1806 Pointed 6, stem not thru claw, ONLY 12 ARROWS, very good. 40.00

1209. 1806 Pointed 6, stem not thru claw, 13 arrows, very nearly Uncirculated. 75.00

1210. 1807 Bust right, very nearly Uncirculated, sharp. 75.00

1211. 1807 Bust right, SMALL STARS, very fine. RARE. 75.00
